Funding Agency	Chesapeake Fine Arts Commission
Application Deadline	January 12
General Information	The program is designed to encourage the establishment of and maintain the on-going stability of organizations whose primary purpose is artistic and whose programs make a significant contribution to Chesapeake and its citizens. Grant applicants must demonstrate that the programs will be a direct benefit to the cultural enrichment of the citizens of Chesapeake. The applicant must reside in the City of Chesapeake or utilize grant funds entirely for projects to be carried out within the city unless otherwise arranged with the concurrence of the Commission. Every Project Grant Application must have a direct relationship to a public-oriented activity such as a competition, performance, or exhibition. Period of Coverage: For general support of the organization for the following fiscal year, July 1, through June 30. Amount of Assistance: To be determined by funds available. Commission support will not exceed 50 percent of eligible income as detailed in an organization's Grant Application.

Funding Agency	The Andrew W. Mellon Foundation
Application Deadline	No deadline; accepting applications throughout the year
General Information	The Scholarly Communications and Information Technology Program were formed in 2010 through the merger of the Programs on Scholarly Communications and Research in Information Technology. Scholarly communications covers a broad range of activities, including the discovery, collection, organization, evaluation, interpretation, and preservation of primary and other sources of information, and the publication and dissemination of scholarly research. Within this wide area, the Foundation's grant-making in scholarly communications has three main objectives: (1) to support libraries and archives in their efforts to preserve and provide access to materials of broad cultural and scholarly significance; (2) to assist scholars in the development of specialized resources that promise to open or advance fields of study in the humanities and humanistic social sciences; and (3) to strengthen the publication of humanistic scholarship and its dissemination to the widest possible audience.
